4 Person Tent:

Eurohike
1 x Rydal 500 4 Person Tent

The Eurohike Rydal 500 is a spacious four-person tent with ample storage room, designed to provide a comfortable camping experience for you and your family or friends.

The darkened fabric used on the bedroom section of the tent allows you to lie in a bit longer without waking up with the sun, while large curtained windows enable you to bathe the living/storage area in light.

The waterproof flysheet and groundsheet with taped seams prevent any moisture getting in from the outside, yet remain breathable with multiple ventilation points so the tent doesn't become stuffy.

Set up is easy thanks to the colour-coded poles and easy-to-follow instructions, meaning you can pitch-up in around 15 minutes. When it comes to going home, the tent is just as easy to take down and packs away into a handy carry bag.

- Waterproof flysheet with taped seams (2000mm hydrostatic head)
- Breathable polyester inner with mesh ventilation on bedroom door
- Waterproof sewn-in groundsheet (2000mm hydrostatic head)
- Fibreglass arcflex 12.7mm colour-coded poles

4 x Sleeping Bags:

VANGO
4 x Starlight 250s Sleeping bag

Vango's Starlight 250s is a stylish mummy-shaped bag that will keep you comfortable through most of the year. It's slightly shorter than a standard sleeping bag, designed for better comfort for more petite users.

Made using soft-touch fabrics, and filled with a single layer of siliconised hollow fibre insulation, it's light, warm, and will keep its warmth even in damp conditions. It's an ideal sleeping solution for first-time family campers, Scouts expeditioners, festival goers and young families alike.

- Single-layer stitch through construction maintains even fill distribution and keeps weight down.
- Single hole siliconised hollow fibre insulation retains loft in damp conditions.
- Insulated, adjustable shoulder baffle retains heat within the sleeping bag.
- Two-way auto-lock zip seals in warmth and provides adjustable ventilation (auto-lock prevents the bag from opening during the night).
- Woven zip puller allows quick and easy operation of the zip.
- Zip guard with anti-catch piping stops the zip from snagging on the lining.
- Hanging loops let you hang the bag to air it after a night's sleep.
- Mummy-shape reduces pack size and increases thermal efficiency.
- Internal pocket provides convenient storage for small items.
- 4-strap compression stuff sack for easy transportation.

Accessories:

EUROHIKE
4 x Peak Folding Chair

Easily packed up ready to go, the Peak Folding Chair from Eurohike is compact and lightweight with a supportive stand system for extra comfort.

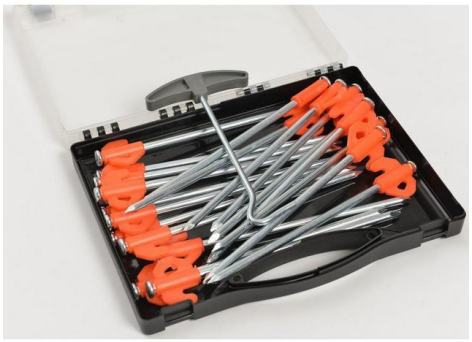
The chair folds into a carry bag and even features a drinks holder, an extended arm rest and plastic stoppers to reduce movement on the ground.

HI-GEAR
Hard Ground Tent Pegs

Everyone who has ever pitched a tent knows the frustration of hitting a rock and bending the peg!

This pack of 20 steel drive in pegs is heavy duty. Designed for hard ground, they will either break through the hard ground to secure your tent or will hit the rock and take the impact so that that you can easily relocate your peg without having bent it.

- No. of pegs in pack: 20
- Length: 20.4cm
- Weight: 56 gm/peg



Cooking Accessories:
