With cubic capacities ranging from an accommodating 3.92m<sup>3</sup> to a generous 15.47m<sup>3</sup>, these van trailers will give you all the extra carrying capacity you could need. They are designed with an aerodynamic nose cone to reduce noise and fuel consumption. The White GRP side panels are perfect for sign writing.

Please note, premium options and additional parts will affect the gross weight, unladen weight, and payload of your trailer.
