Big Dipper 4	3500	2750	8	9	13	Twin	Bunks

Indespension's marine and boat trailers make it easier and quicker to launch and retrieve your boat, allowing you to spend more time enjoying the water.

Our entire range has been designed with longevity in mind, to reduce the overall cost of ownership.

With a high degree of corrosion resistance by having a hot dip galvanised finish, and by having bearing savers as standard, our marine and boat trailers are the most innovative on the market.

Please note, premium options and additional parts such as a flushing kit and spare wheel will alter the gross weight and carrying capacity of your trailer.
